12th June, 1948.

Dear Miss Bruce,

I am writing to you about the cost of purchasing and despatching three sets of Hellschreiber Equipment for the use of the British Information Services in Bombay, New Delhi and Karachi, for which an estimate of £640 was sanctioned by the Treasury under reference number IF 182/274/03 of 21st October, 1947. In that estimate certain items such as Tape Guides, Printing Paper and Aerials were omitted and in addition the cost of the equipment has risen slightly, with the result that the total worked out at £722. 13. 3., £82. 13. 3. in excess of the original estimate. We now ask that the additional expenditure receives Treasury sanction.

Yours sincerely,

(Sd) S.G. PENNELLS.
