Dear Haigh,

With reference to your letter of 2nd October regarding
reception of Hell transmissions by the British Legation in Stockholm
and the granting of reciprocal facilities to the Swedish Legation here,
we have heard from the Press Attache that the Swedish authorities
are content to let the question be as you suggested merely the subject
of a gentlemen's agreement.

I am sending a copy of this letter to Sargent of the General
Post Office.

Yours sincerely,

Geoffrey Kirk
